

In the 'Module Details' table, these are the possible results which will display in the 'Result' column, and the explanation of what that result means.

Result	Definition
P – Pass	<ul style="list-style-type: none"> Module is passed – mark is equal to module pass mark or greater Module outcomes have been achieved
F – Fail	<ul style="list-style-type: none"> Module is failed – mark is lower than module pass mark All assessment attempts have been exhausted Module outcomes have not been achieved
SE – Supp with CT exam <i>(CT exam = centrally-timetabled exam)</i>	<ul style="list-style-type: none"> Mark is lower than module pass mark Module outcomes have not been achieved at the first attempt Reassessment opportunity is available in the Supplementary assessment period in the same academic year The reassessment will be classed as a resit Module mark will be capped at the pass mark for degree classification calculation
SU – Supp, no CT exam <i>(CT exam = centrally-timetabled exam)</i>	<ul style="list-style-type: none"> Mark is lower than module pass mark Module outcomes have not been achieved at the first attempt Reassessment opportunity is available in the Supplementary assessment period in the same academic year The reassessment will be classed as a resit Module mark will be capped at the pass mark for degree classification calculation
RS – Resit	<ul style="list-style-type: none"> Mark is lower than module pass mark Module outcomes have not been achieved at this attempt Reassessment opportunity is available in the next academic year The assessment will be resat, but no teaching will take place, and no fees will be charged for the module resit The reassessment will be classed as a resit Module mark will be capped at the pass mark for degree classification calculation
RP – Repeat	<ul style="list-style-type: none"> Mark is lower than module pass mark Module outcomes have not been achieved at this attempt Reassessment opportunity is available in the next academic year The whole module will be repeated, attending teaching (lectures, laboratories etc), paying pro-rata fees and completing reassessment The reassessment will be classed as a repeat Module mark will be capped at the pass mark for degree classification calculation
ME – Sit with CT exam <i>(CT exam = centrally-timetabled exam)</i>	<ul style="list-style-type: none"> Extenuating Circumstances have been agreed for this module for the assessment period Circumstances for use: <ul style="list-style-type: none"> the mark may be lower than module pass mark; OR an extension to a deadline or deferral of an exam has been granted, so a complete mark is not yet available; OR assessment for the module is not expected until after the Main Exam Board and the marks will be available at the Supplementary Exam Board

	<ul style="list-style-type: none"> • A 'sit' opportunity is available in the Supplementary assessment period in the same academic year • Original mark will be forfeited • The sit will be classed as though it were a first attempt • Module mark will not be capped at the pass mark for degree classification calculation
<p>M – Sit, no CT exam</p> <p><i>(CT exam = centrally-timetabled exam)</i></p>	<ul style="list-style-type: none"> • Extenuating Circumstances have been agreed for this module for the assessment period • Circumstances for use: <ul style="list-style-type: none"> ○ the mark may be lower than module pass mark; OR ○ an extension to a deadline or deferral of an exam has been granted, so a complete mark is not yet available; OR ○ assessment for the module is not expected until after the Main Exam Board and the marks will be available at the Supplementary Exam Board • A 'sit' opportunity is available in the Supplementary assessment period in the same academic year • Original mark will be forfeited • The sit will be classed as though it were a first attempt • Module mark will not be capped at the pass mark for degree classification calculation
<p>MX – Sit Externally (next academic year)</p>	<ul style="list-style-type: none"> • Extenuating Circumstances have been agreed for this module for the assessment period • Circumstances for use: <ul style="list-style-type: none"> ○ the mark may be lower than module pass mark; OR ○ an extension to a deadline or deferral of an exam to the next academic year has been granted, so a complete mark is not yet available; OR ○ the complete mark will be available at an Exam Board in the next academic year • A 'sit' opportunity is available in the next academic year • The assessment will be sat, but no teaching will take place, and no fees will be charged for the module resit • Original mark will be forfeited • The sit will be classed as though it were a first attempt • Module mark will not be capped at the pass mark for degree classification calculation
<p>MI – Sit Internally (next academic year)</p>	<ul style="list-style-type: none"> • Extenuating Circumstances have been agreed for this module for the assessment period • The mark may be lower than module pass mark • A 'sit' opportunity is available in the next academic year • The whole module will be repeated, attending teaching (lectures, laboratories etc), paying pro-rata fees and completing reassessment • Original mark will be forfeited • The sit will be classed as though it were a first attempt • Module mark will not be capped at the pass mark for degree classification calculation
<p>SB – Substitute</p>	<ul style="list-style-type: none"> • Mark is lower than module pass-mark • An external resit opportunity is available in the next academic year • The original module will not be available for reassessment, so an alternative module must be substituted • The assessment will be resat, but no teaching will take place, and no fees will be charged for the module resit

	<ul style="list-style-type: none"> • Module mark will be capped at the pass mark for degree classification calculation • Student will only be permitted one attempt at a substitute module
MB – Substitute Sit (Ext Circs)	<ul style="list-style-type: none"> • Extenuating circumstances have prevented the student from completing the original module successfully, and that module is no longer available for the second sit • In some cases (though not all), the mark may be lower than module pass mark • An internal 'sit' opportunity is available in the next academic year • Student will attend teaching (lectures, laboratories etc), pay pro-rata fees and complete reassessment for the whole substitute module • Original mark (for original module) will be forfeited • The sit will be classed as though it were a first attempt • Module mark will not be capped at the pass mark for degree classification calculation
U – Mark unavailable	A mark was unavailable for these modules in time for the Exam Board, but is expected in the same academic year
PE – MBChB Pass + EC	Module has been passed, but extenuating circumstances have been agreed

Accreditation of Prior Learning (APL) credits

If the University accepted prior learning credits as part of your application, these are the results which will display in the 'Mark' / 'Result' column(s) in the 'Module Details' table, and the explanation of what they mean.

Mark	Result	Definition
APL		<ul style="list-style-type: none"> • Module is passed • A module that was undertaken at another institution of higher learning in a previous academic session and has been used as credit against the current programme of study following a successful Accreditation of Prior Learning (APL) application
<i>Displays as a numeric mark plus an A suffix (e.g. 62A)</i>	P – Pass	<ul style="list-style-type: none"> • Module is passed • A module that was undertaken at the University of Birmingham in a previous academic session and has been used as credit against the current programme of study following a successful Accreditation of Prior Learning (APL) application
